Before the vote, Mr. Kowalski wanted to acknowledge receipt of the resignation letter. He stated he wanted to comment on the bulleted item that stated "The chastising by board president at a public meeting to other Board members was humiliating, disrespectful, and inappropriate." Mr. Kowalski stated he never chastised anyone at any time. He feels the person that wrote this letter did not know the meaning of the word chastise. He did however, state he was disappointed with the Board that they would not take any action or come to a decision on the action item that was discussed at the meeting this person was referring to.

It was discussed whether a new board position needed to be established. It was decided both vacant positions could be filled at one time.
