

Bangor Central Elementary School

2015–2016 Annual Education Report

Melissa Vrable; Principal

2014–2015 Annual Education Report

February 27, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Bangor Central Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Bangor Central Elementary School at 989.684.8891 for assistance.

The AER is available for you to review electronically by visiting the following web site www.bangorschools.org/ or you may review a copy in the main office at your child's school.

According to our local and state data, the key challenges for our school are in the areas of math, science, and social studies. We have invested time in the past 2 years implementing the Eureka math curriculum and we are pleased to be adding the position of Math Interventionist to support our struggling students with math skills. Science needs are being addressed through professional development for our teachers on the Michigan Science Standards and unit development to reflect these standards. Social Studies standards are being addressed through the implementation of common units and adjusting the schedule to provide adequate time to instruct. Bangor Central provides differentiated instruction to meet the needs of all learners in all content areas. These initiatives are all being undertaken to accelerate achievement and to close achievement gaps.

On the following pages you will find information regarding:

- A description of our school
- Student enrollment and assignment to our building(s)
- The core curriculum
- The status of our school improvement plan
- 2015-16 Student achievement data
- Parent-Teacher conference statistics
- College Credit/Enrollment *High Schools only*

I am very pleased with the accomplishments of our students, staff, and parents. Bangor Central is a family atmosphere with dedicated staff. We work diligently to review data, revise instruction, support struggling learners, and challenge high achievers. We keep in mind the importance of teaching students life principles while maintaining our focus on student achievement.

Respectfully,

Melissa Vrable
Principal
Bangor Central Elementary School

Bangor Central Elementary School

2015–2016 Annual Education Report

Melissa Vrable; Principal

A BRIEF DESCRIPTION OF OUR SCHOOL

Bangor Central houses twelve general education classrooms, one SSE (Success Start Early) classroom, a special education classroom, one math intervention classroom, one reading intervention classroom, a specials classroom, and a separate gym, cafeteria, library, and computer lab. There is also a district on-site daycare, which includes a before and after school program for school age students up to the age of 12. The building has a lower elementary hallway (SEE, Kindergarten and Grades 1-2) and an upper elementary hallway (Grades 3-5). These wings are connected by the main hallway. Located in the main hallway is access to the computer lab, the main office, Principal's Office, Responsible Thinking Office, and Student Service Coordinator's office. There are eighteen certified teachers on staff, a principal, an office secretary, a Student Services Coordinator, a Responsible Thinking Classroom Coordinator, and specialized teachers in the areas of music, physical education and health, integrated technology, and library/media. We also have a library aide, part-time classroom aides in kindergarten and SSE, part-time intervention aide, special education aide staff, maintenance staff, kitchen staff, playground and cafeteria aides, and a number of parent and community volunteers who can be seen daily assisting throughout the building in academic and non-academic functions.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Bangor Township Schools is a small school community with 3 elementary buildings located in close proximity to one another. When students are enrolled through the kindergarten registration process, they are screened and placed at one of the three elementary buildings based on requests, siblings in buildings, and student data. Parents enrolling their children in Bangor Township Schools during the school year visit Edison Administration Building to enroll. Parents can request a school, but school placements are determined by class numbers. We keep all class sizes as close as possible.

CORE CURRICULUM

Implementation of curriculum is facilitated at the district level in coordination with the Bay-Arenac Intermediate School District. Bangor Central Elementary utilized the Common Core State Standards to establish the curriculum for Math and ELA, the Michigan Science Standards for Science, and the Michigan Grade Level Content Expectations for Social Studies. Our curriculum can be found on our district Curriculum website at <http://goaleym.wixsite.com/website>. Bangor Central has implemented programs that follow all state standards. We use Big Ideas Math/Eureka Math, MAISA Writing and Grammar, a Reading

Bangor Central Elementary School

2015–2016 Annual Education Report

Workshop approach, and we are in development of units to support the Michigan Science Standards. Social Studies is taught through the MAISA units.

THE STATUS OF THE 3–5 YEAR SCHOOL IMPROVEMENT PLAN

Goals	Progress		
	Getting Started	Implementation	Monitoring
Goal 1: All students will be proficient in reading.			
Strategies: <ul style="list-style-type: none"> • <i>Best Practice Instruction</i> • <i>Professional learning to close achievement gaps</i> • <i>Research based instruction for all students</i> • <i>Multi-tiered systems of support for struggling learners</i> • <i>Parent Involvement</i> 			X
Goal 2: All students will be proficient in writing..			
Strategies: <ul style="list-style-type: none"> • <i>Best Practice Instruction</i> • <i>Professional learning to close achievement gaps</i> • <i>Research based instruction for all students</i> • <i>Multi-tiered systems of support for struggling learners</i> • <i>Parent Involvement</i> 		X	
Goal 3: All students will be proficient in math.			
Strategies: <ul style="list-style-type: none"> • <i>Best Practice Instruction</i> • <i>Professional learning to close achievement gaps</i> • <i>Research based instruction for all students</i> • <i>Multi-tiered systems of support for struggling learners</i> • <i>Parent Involvement/engagement</i> 		X	
Goal 4: All students will be proficient in science.

AGGREGATE STUDENT ACHIEVEMENT RESULTS

See attached data.

PARENT–TEACHER CONFERENCES

Last year, at our fall parent-teacher conferences 71% of parents were in attendance and 62% of parents were in attendance at the spring conference. We provide provide other opportunities throughout the school year to involve our parents. Bangor Central holds an Open House before the start of the school year, an annual Family Math Night in the fall and a Family Literacy Night in the spring.
